Sell items at the Show & Sale to help the Strickler Fund

The Strickler Fund

The Handweavers Guild of Boulder established a scholarship fund in 1992 and named it in honor of Carol Strickler who passed away in April of that year. Carol Strickler was a member of the Handweavers Guild of Boulder from 1967, when she discovered weaving, until her death. Her contributions to the organization and to the craft were extraordinary.

The Carol Strickler Scholarship Fund was established to provide a monetary award to any qualified member of the Handweavers Guild of Boulder to assist in their technical and aesthetic development. Carol was a teacher and mentor who found joy in sharing her craft with others. In that spirit of sharing, recipients of the scholarship are requested to share their experience with other guild members.

Members can donate items to be sold at the Show & Sale with the proceeds going to the Strickler fund.
